States that the 2^d member has consented to open the building on the 18^th Sept. is., and requests early orders to enable him to make necessary arrangements.

3. The Dy. Com^r suggests that the school may be styled a School for Practical Instruction, "if there is difficulty about calling it an Industrial School now."

4 No difficulty has been raised in any quarter for either name.

Subd. 5 The manner in which the foundation may be commemorated or styled is one for the determination of Government also. So I have some thoughts of a tablet to be put up. The draft as regards contents may be approved.

SIR,

I have the honour to inform you that one Mr. Munisamiah, Toddy Contractor of Anekal has constructed a building at Anekal costing about Rs.10,000. It was originally intended to be used for a chatram, but the owner has now made up his mind to make a free gift of it with its outhouses and the compound attached thereto to the Education Department. A plan of the building with its compound is sent herewith. As the building can be conveniently utilized for the location of an Industrial School to be opened in connection with the Practical Instruction Scheme, as well as for the accommodation of a few classes of the Taluk Kannada Boys' School, I beg to recommend that Government may be pleased to accept the offer made by the Donor. I have consulted the Deputy Commissioner of the Bangalore District and he is of opinion that the building may be accepted.

I have the honour to be,
Sir,
Your most obedient servant
M. Shama Rao.
Inspector General.
